

Independent Living for over 55s

Anthony's story

Anthony lives in one of our Independent Living schemes. Scan the QR code to hear his story:

Our Independent Living schemes offer:

- Modern, easy-to-manage apartments and bungalows
- Secure access, well-maintained communal areas and accessible layouts
- Shared lounges, gardens and outdoor seating
- Regular social activities and events to build friendships and stay active.

Every scheme is supported by a dedicated Scheme Liaison Officer (SLO) who acts as a central point of contact for customers, their families and partner agencies. Their role is to assist customers to live independently and comfortably while ensuring the scheme is managed efficiently.

Who can apply?

- Individuals aged 55+
- Couples where at least one partner is 55+
- Those who can live independently with low to moderate support
- People seeking a safe, comfortable home in a supportive community.

We proudly manage Independent Living schemes across **Oxfordshire, Gloucestershire, Northamptonshire, Walsall, Birmingham, Wolverhampton, Wiltshire** and several other areas within the **West Midlands**.

Why choose our Independent Living schemes?

Our Independent Living schemes offer more than just a home. With experienced staff, high-quality affordable accommodation, and strong links to local health and community services, we provide a supportive environment where older residents can live independently, confidently, and as part of a friendly, welcoming community.
